

Prairie Engineers, P.C. is seeking Professional Land Surveyors to join our team.

Are you looking for an opportunity to lead and complete larger and more complex surveying and mapping projects? Are you eager to embrace and explore new technologies and use them to solve complex geospatial challenges? As a progressive and growing business, Prairie Engineers can present you with a wide range of challenging projects and the opportunity to work with a collaborative and highly functional team. Prairie Engineers is a growing company, looking to add one or more **Professional Land Surveyors** to assist with surveying projects at locations nationwide. The ideal candidate should have experience leading field and office survey projects and teams, demonstrated progressive experience with a wide variety of survey types and methods, and the desire to take on progressively advanced professional responsibilities with the ability to think outside the box to solve a wide variety of client geospatial problems. This full-time position is available to be filled in any of our offices with paid travel expenses and a per diem allowance for meals, generous benefits and a competitive salary based on qualifications.

Job Functions

Coordinate and mentor field crews and office staff

Develop proposals and estimates for land surveying projects

Perform and check calculations including level circuit reduction, least squared and compass rule computations, and volume and area calculations

Conduct boundary research and prepare plats, plans, and legal boundary descriptions

Perform field surveys including hydrographic, topographic, control, and boundary surveys

Minimum Qualifications

Education: Bachelor's Degree in engineering, land surveying, or related field

Experience: 5+ years of relevant experience

Licensure: Current licensure as a Professional Land Surveyor

Software: Proficient in Power GEOPAK, Open Roads, and/or AutoDesk Civil3D

Communication: Good verbal and written skills

Ideals: Professional, positive attitude with a strong work ethic

Teamwork: Ability to work both independently and as part of a team

Responsive: Communicate openly, proactively, and promptly

Safety: A valid driver's license and a clean driving record

Travel: Willingness to travel within the United States to meet project requirements

Service Oriented: Maintain focus on project delivery and client service with attention to detail and meeting deadlines

Preferred Qualifications

Experience: Hydrographic survey experience

Licensure: Professional Land Surveyor licensure in additional States

Software: Strong familiarity with ArcGIS

We are an equal opportunity employer that recognizes the value of diversity. All qualified individuals will receive consideration for employment without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other legally protected status.

Preference will be given to applicants who reside in a HUBZone as defined by the US Small Business Administration. For a map of certified HUBZone areas, please refer to the following website: <https://maps.certify.sba.gov/hubzone/map/>

Potential candidates for this position should **fill out an application** at www.prairieengineers.com and contact Prairie Engineers via e-mail at jobs@prairieengineers.com.

Prairie Engineers is a full-service engineering, geospatial, and environmental science consulting firm delivering sustainable infrastructure solutions to improve our natural and developed environment. We are a woman-owned firm with offices in Columbia, Hillsboro, Washington, Champaign, and Springfield, Illinois; Keokuk, Iowa; Hazelwood, Missouri, and Vicksburg, Mississippi.

Some Benefits of Working at Prairie

Schedule flexibility. We may accommodate non-routine schedules, part-time professional positions, and personal leaves of absence if needed. Need to match your kid’s school schedule, reduce hours during the summer or holidays, or work evenings instead of mornings? Let’s make a plan!

Location flexibility. We may accommodate work from home, work from the office, or a hybrid solution.

Ample time-off. We are looking for a candidate who will give it their all when they are at work, and we recognize the need to “recharge your batteries” so you can continue to give top-notch service to our clients. We give 160 hours of PTO to staff with under 10 years of experience and 200 hours of PTO to those over. In addition, we’ll give you an extra 8 hours for every 5 years with our company.

Paid premium overtime. The first 80 hours of overtime goes into a comp time bank which you can use as additional paid time off. If you work more overtime than that, we pay 1.5x your hourly pay rate. Not just for entry-level positions, but for almost all professional positions.

Generous benefits. A fully paid health insurance premium combined with an HRA for your annual deductible pays 100% of your routine and minor healthcare costs. Plus, life, AD&D, short term and long term disability – with all insurance effective on day 1 of your employment. A 401k that doesn’t require a match – you’ll get 3% AND the freedom to invest your money how you want.

A bonus that rewards your efforts. We want people who will work hard with a “can-do” attitude and give our clients top notch service, and we expect to reward you for that effort! We distribute approximately half (yes, half!) of our post-tax profits in our bonus program. 30% of that is pro-rated based on salaries for everyone who has been with us for over 12 months. We are a team and it takes all of us working together to succeed. 70% of the bonus program is solely performance-based and rewards those that go above and beyond. We recognize individual contributions for each year.

Prairie Values

People Focused. We prioritize relationships, foster team growth, and promote a culture of inclusion and development.

Can Do Attitude. We positively engage with challenges to form flexible and innovative solutions.

Responsive. We communicate openly, proactively, and promptly.

Prairie Engineers is the Small Firm Winner of the “**Best Places for Engineers to Work**” by the Illinois Society of Professional Engineers for 2021! See what our employees have to say: <https://lnkd.in/dPwzv7r>
