

# Field Survey Technician

**Prairie Engineers, P.C. is seeking one or more Field Survey Technicians to join our team.**

Do you love spending time outdoors? Do you want a job that keeps your body active while still challenging your mind? Prairie Engineers is a growing company, looking to add multiple **Field Survey Technicians** (Party Chiefs, Instrument Operators) to assist primarily with surveying projects at locations nationwide. This isn't an easy position; we work long days in sometimes harsh conditions, but we also take pride in completing larger and more complex projects than our peers. If you are looking for a challenge, if you enjoy being a part of a capable and contributing team, and if you enjoy developing solutions to get the job done well, we may be the right fit for you! We are willing to train individuals with the right attitude for a challenging and rewarding career. You must be able and willing to be a highly responsible, capable, and contributing member of our team, able to utilize technology and think on your feet. This full-time position is available to be filled in any of our offices with paid travel expenses and a per diem allowance for meals, generous benefits and a competitive salary based on qualifications.

## Job Functions

**Perform field surveys** including hydrographic, topographic, control, and boundary surveys

**Utilize technology** including operating cutting-edge survey equipment and a wide variety of high-tech sensors and methods

**Ability to travel**, often on short notice, and work safely in various locations and all types of weather conditions

**Maintain focus** on project delivery and client service with attention to detail and meeting deadlines

## Minimum Qualifications

**Education:** High School Diploma or equivalent

**Communication:** Good verbal and written skills

**Ideals:** Professional, positive attitude with a strong work ethic

**Teamwork:** Ability to work both independently and as part of a team

**Responsive:** Communicate openly, proactively, and promptly

**Safety:** A valid driver's license and a clean driving record

## Preferred Qualifications

**Education:** Associate Degree in civil engineering technology (or a related field)

**Experience:** 2 years of experience as a surveying technician

**Certifications:** Certified Survey Technician Certification

**Software:** Knowledge of various CADD or GIS software packages

**Travel:** The ability to travel for extended durations and on short notice

We are an equal opportunity employer that recognizes the value of diversity. All qualified individuals will receive consideration for employment without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other legally protected status.

Preference will be given to applicants who reside in a HUBZone as defined by the US Small Business Administration. For a map of certified HUBZone areas, please refer to the following website: <https://maps.certify.sba.gov/hubzone/map/>

Potential candidates for this position should **fill out an application** at [www.prairieengineers.com](http://www.prairieengineers.com) and contact Prairie Engineers via e-mail at [jobs@prairieengineers.com](mailto:jobs@prairieengineers.com).

Prairie Engineers is a full-service engineering, geospatial, and environmental science consulting firm delivering sustainable infrastructure solutions to improve our natural and developed environment. We are a woman-owned firm with offices in Columbia, Hillsboro, Washington, Champaign, and Springfield, Illinois; Keokuk, Iowa; Hazelwood, Missouri, and Vicksburg, Mississippi.

## Some Benefits of Working at Prairie

**Location flexibility.** We may accommodate work from home, work from the office, or a hybrid solution.

**Ample time-off.** We are looking for a candidate who will give it their all when they are at work, and we recognize the need to “recharge your batteries” so you can continue to give top-notch service to our clients. We give 160 hours of PTO to staff with under 10 years of experience and 200 hours of PTO to those over. In addition, we’ll give you an extra 8 hours for every 5 years with our company.

**Paid premium overtime.** We pay 1.5x your hourly pay rate. Not just for entry-level positions, but for almost all professional and technical positions.

**Generous benefits.** A fully paid health insurance premium combined with an HRA for your annual deductible pays 100% of your routine and minor healthcare costs. Plus, life, AD&D, short term and long term disability – with all insurance effective on day 1 of your employment. A 401k that doesn’t require a match – you’ll get 3% AND the freedom to invest your money how you want.

**A bonus that rewards your efforts.** We want people who will work hard with a “can-do” attitude and give our clients top notch service, and we expect to reward you for that effort! We distribute approximately half (yes, half!) of our post-tax profits in our bonus program. 30% of that is pro-rated based on salaries for everyone who has been with us for over 12 months. We are a team and it takes all of us working together to succeed. 70% of the bonus program is solely performance-based and rewards those that go above and beyond. We recognize individual contributions for each year.

### Prairie Values

**People Focused.** We prioritize relationships, foster team growth, and promote a culture of inclusion and development.

**Can Do Attitude.** We positively engage with challenges to form flexible and innovative solutions.

**Responsive.** We communicate openly, proactively, and promptly.

Prairie Engineers is the Small Firm Winner of the “**Best Places for Engineers to Work**” by the Illinois Society of Professional Engineers for 2021! See what our employees have to say: <https://lnkd.in/dPwzv7r>
